## December Updates

- **Pella Balcony Door Weather-Stripping** - For those of you that requested the repair work, the second phase of installation is scheduled for December 12, 2018.
- **Stateroom, Mail Room and Garbage Room Painting** - The painting has been completed.
- **Balcony Tile Repairs** - The only balconies that remain are the ones on PH-3 This installation has been rescheduled for April 2019 due to weather.
- **Security Team** - Mya is back Thursday and Friday third shift and we are very pleased to have her back! She is an asset to our security team.
- **Parking Garage Equipment** - We have located a new transmitter/receiver system and hope to have the new system installed within the next two weeks. Upon installation, we will gather the existing transmitters and replace with new devices. We are confident that we have now found the right system to work within the limits of the garage.

We sincerely appreciate everyone's patience throughout these projects.
